GOD OF ALL BLING

Frazer & Haws, British silversmiths with centuries of craftsmanship behind them, have stormed the Indian market with their bold, quirky and elegant renditions of various Indian Gods in their Divine Collection. This festive season sees Lord Ganpati in a unique posture, holding up the wish tree to grant all wishes and bestow prosperity and fortune. Handcrafted and hallmarked in 92.5 per cent sterling silver, the 24k gold gilding adds a dramatic contrast.
