OWNER'S PRIDE

The picture quality in Samsung's Series 6 is dramatically enhanced and the Touch of Colour design features a hint of amber colour blended into Samsung's traditional piano black bezel frame. The access to weather, news, sports and stock information is just a cable and a click away through the HDTV's Ethernet port and new InfoLink™ RSS service. Designed to be an entertainment hub at home, these TVs enable you to access a wide range of digital and multimedia devices such as MP3 players, camcorders, and personal computers.

LAP IT UP

The newly-launched sleek and powerful Sony Vaio Z weighs just 1.48 kg, making it 10 per cent smaller compared to other models. It is smaller than the conventional notebook, yet it boasts a similar screen size. It is available in two new models—VGN-Z13GN/B with 4 GB RAM and 320 GB hard disk, and VGN-Z12GN/B with 2 GB RAM and 230 GB hard disk. To secure the data against unauthorised access, there is a security biometric fingerprint sensor for speedy login and TPM (Trusted Platform Module) security chip and proprietary hard disk drive with password protection software. Available in matte black, the body is made of carbon fibre with a long-lasting battery that is perfect for the mobile warrior.
