The dazzling leopard spots on the dial of La D de Dior Mitza's are formed by a combination of black lacquer with either yellow sapphires or diamonds. Inspired by the jungle, Dior's new timepiece comes with a black crocodile strap. On the other hand, Louis Vuitton's Tambour Silver Dust (right) comes with a marine blue alligator leather strap and a stunning silver dust dial. CONNOISSEURS' CHOICE

An increasing number of Bordeaux wines are being uncorked in India, and the latest are the wines from Maison Ginestet. Gruaud-Larose has often been described as a super-second, placing it in the group of Deuxième Cru Classé properties that challenge the elite Premier Cru Classé estates for supremacy in Bordeaux, so this is a steal if stored well.
