The Write Stuff

Designed to celebrate landmark events—Bentley Motors' 60th anniversary of the factory at Crewe and Tibaldi's 90th anniversary—The Tibaldi (above) is a limited collection. There are just 400 silver fountain pens and 200 silver roller ball pens across the globe. Built in a flaming red, marbled body with an inbuilt filling mechanism, The Fuoco Aurea Minima (below) limited collection pen has a flame engraved on the clip. The Prestige set of four pens, aimed at collectors, is enhanced with a ruby red stone set in the head.
