

Roberto Cavalli's latest Women's Aviator Collection is a treat for ladies. Pick off a huge palette from bronze to gold, and gunmetal to bone silvers, with their complimenting lenses available in bronze with Roviex lens, endure gold with gradient brown lens, gunmetal with smoke lens, light ruthenium with flash silver smoke lenses.

Rs 18,450

EASY ON THE EYE

The soft, pliable texture of Selleria leather that is crafted using ancient Roman leather-making techniques makes the Fendi Selleria sunglasses look so haute and elegant.

Rs 16,000

HEAD OVER HEELS

Part of Chanel's Fall Winter 2008/09 pre-collection, these satin and patentcalf sandals (below) have a pearl under the heel. Exclusively made for those delicate steps.

Timeless Gucci style paired with fine Italian craftsmanship make these black leather lace-up loafers (extreme below) an obvious choice for the urban youth on the move.

Bagging a Tradition

Judith Leiber officially launches its Urban Wild Fall/ Holiday Collection in India. The legendary design house's evening bags (top) celebrate moments—and the women who make them. Thinking global, Aigner's autumn-winter 2008-09 collection is inspired by the world citizen. The collection, like its namesake, is characterised by tradition, heritage and multicultural awareness, reflecting a current attitude with an eye on the future.
