

branches, it is a 4-in-1 instrument which may be used as a traveller's cheque, gift cheque, demand draft as well as normal cheque payable at par at all CBS branches. UCO Bank is the first bank in the country to launch such a product.

How do you remain a truly "Modern Indian Bank"?

By continuously upgrading our skill sets in terms of hardware, software and humanware (through training as well as lateral induction of specialised manpower). The aim is to offer state-of-the-art distribution and delivery channels to our customers backed by our tradition of "customer-first". Some of the facilities offered are:

- ❑ **Anywhere-Anytime Banking** through our CBS-enabled branches. Very soon we shall be hitting the 1000-CBS-branches milestone covering about 87% of the bank's business.
- ❑ **Internet Banking and Mobile banking.**
- ❑ **International Debit Card** which can be used at any of the bank's approx. 350 ATMs and at over 18,000 other ATMs in India and over one million abroad.
- ❑ **Multi City Cheques and RTGS** that enable banking beyond the confines of branches.

Sir, how do you propose to maintain a healthy bottom line in this high interest rate scenario?

By putting all out efforts to mobilise low-cost deposits, reducing operating expenses at all levels, increasing non-interest income, strict monitoring of loan assets so as to prevent slippages and giving focussed attention to recovery of dues, more particularly, recovery from written-off accounts.

How seriously does UCO Bank pursue its Corporate Social Responsibility?

UCO Bank believes in giving back to the society. Some of our recent CSR activities include donating ambulances, distributing blankets to the sick & poor, giving away umbrellas to small street hawkers, donating Rs. one crore to the Prime Minister's National relief fund, etc.

As bankers, we were the first nationalised bank to open "senior citizen" branches across the country because of our love, respect & concern for our senior citizen customers.

When are you planning your Follow-on Public Offering? What are the objectives of FPO?

Depending on market conditions, we plan to mobilise Rs.100 crore of equity capital at a premium during the December quarter this year. Meanwhile, Govt. approval has been sought to restructure the bank's capital prior to the FPO, with the aim of bringing the bank's overall equity capital to Rs.600 crore post - FPO.

What is your vision for UCO Bank?

To make it a world class financial institution trusted by customers and investors, admired by peers, cherished & nourished by its proud employees. A bank one could bank upon.
