Chancellor - MRIU

MRIU
FEELS PROUD OF THE
TRUST REPOSED IN IT
BY THE MINISTRY OF HRD,
GOVT. OF INDIA...

and congratulates its students

After many landmark achievements, Manav Rachna International University (MRIU) is now a reality. The brainchild of renowned educationist Dr. O P Bhalla, it is already one of India's leading and well established, quality based educational entity; as also a beacon of excellence and innovation in every aspect of education. Going beyond the mandate of creating better human beings, Manav Rachna Educational Institutions (MREI) creates a better future for all.

MREI provides an incredibly rich context in which students study varied professional courses.

All this and more, for over twelve years to students, so that they can make a mark in the world. The campus is dream like, a few kilometres from South Delhi.

As tomorrow's landmark university, Manav Rachna International University feels proud of the trust reposed in it by the Ministry of HRD, Govt. of India and congratulates its students.

Time to be part of the experience if you are not already so!
