

TOP DRAW

Back-to-back blockbusters have perched **Katrina Kaif**, 24, right on top of the popularity charts. Besides starring with A-listers and hiking her fees, she's now agreed to perform at the New Year eve bash at JW Marriot, Mumbai, which has hosted stars like Mallika Sherawat and Bipasha Basu in the past. If the grapevine is to be believed, the *Singh is King* actor is being paid a whopping Rs 1 crore for just a 20-minute performance. She surely knows how to make every-one dance to her tunes.

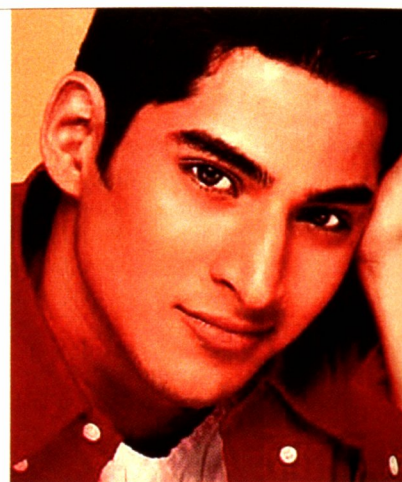

YOGEN SHAH

Flower Power

Unlike Esha, Hema Malini's younger daughter **Ahana**, 24, doesn't have any starry dreams. She's instead into fashion and has been designing her own line titled Happy Hippie that will hit the racks soon. It will include bags, shoes and, of course, clothes. "The collection covers fashion of the 1950s, '60s and '70s. It will be a fun line," Ahana says. "I didn't know she was so creative and wonderful at designing," says Malini. Indeed, this star kid has fashionable designs for her career.

SECOND COMING

After a blink-and-you-miss appearance in *Chak De! India*, where the gang of girls stole his thunder, **Vivan Bhatena**, 30, is getting ready for his second shot at the silver screen with an untitled film with Yash Raj. The Grasim Mr India title winner-turned-actor, who has been a regular on the tube, took the big leap with the Shah Rukh Khan-starrer last year. Considering the length of the role in his debut flick, we wish him better luck this time.

With Stars in Her Eyes

Vedita Pratap Singh, 23, of Channel V's *India's Hottest* fame has found her calling in Bollywood. After a successful stint in *Simply Sapne*, she has now signed her dream role in Manoj Agarwal's yet-to-be titled film. "I can't reveal much, but it stars newcomers," says Singh, who has also done a music video for British Asian band Hunters. Hot and happening move, isn't it?
