

You have seen the rainbow in the sky.

Incredible India

But ever seen thousand colours at the same time?

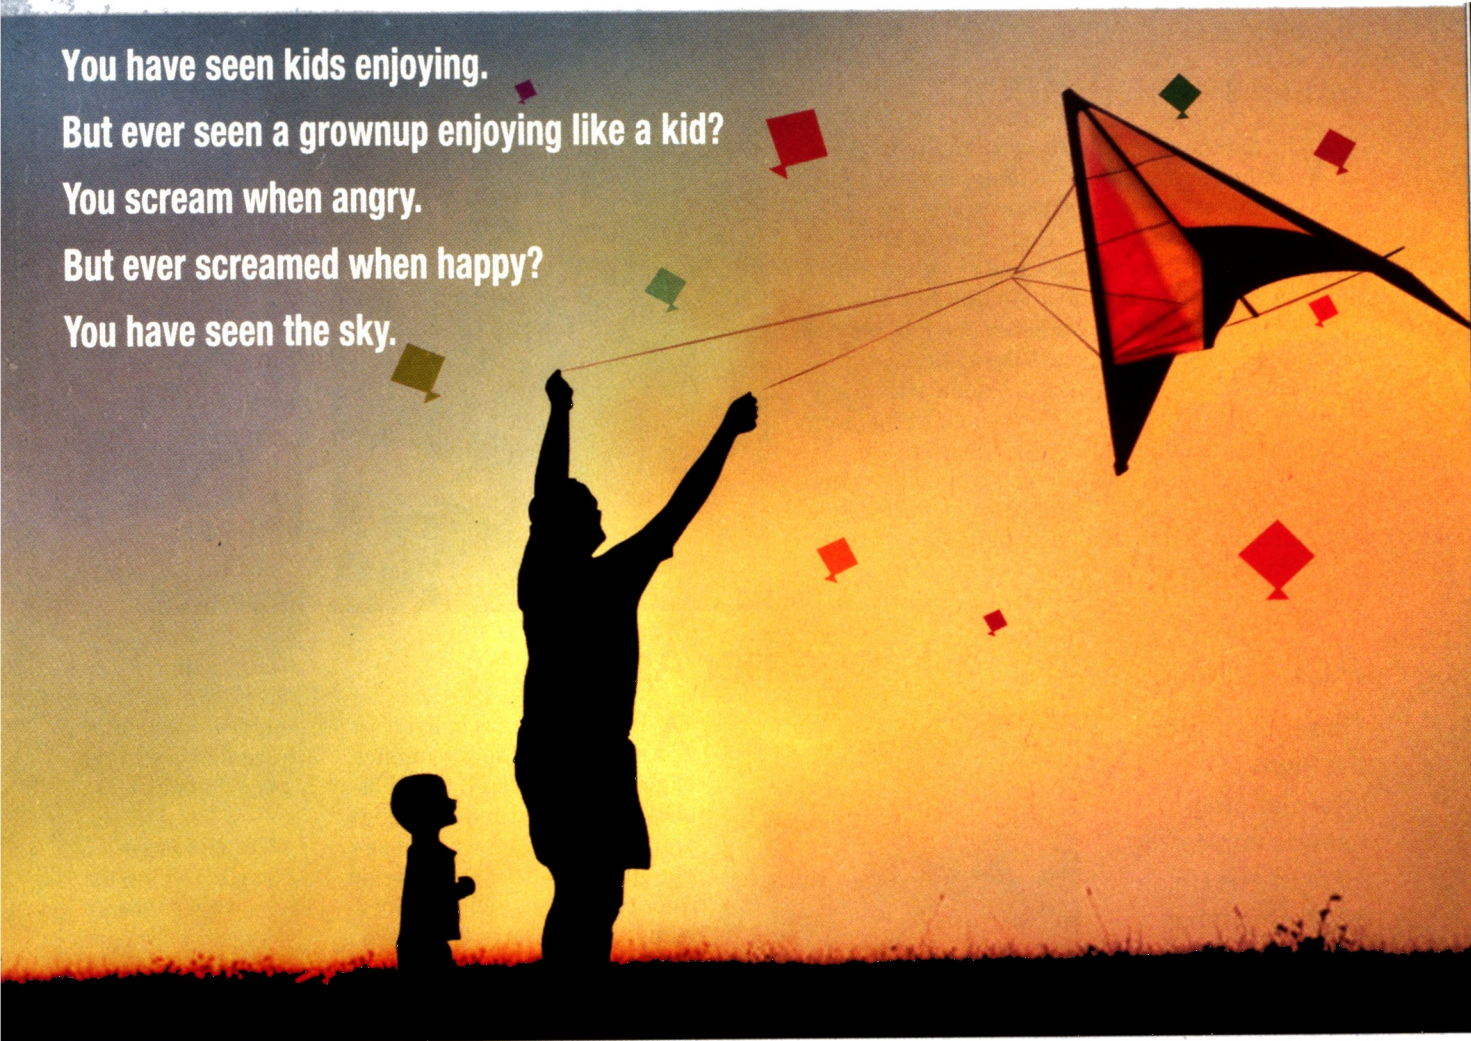

You have seen kids enjoying.

But ever seen a grownup enjoying like a kid?

You scream when angry.

But ever screamed when happy?

You have seen the sky.

But ever seen the sky like this?

Wherever you see, there are kites. On the auspicious occasion of Uttarayan, the International Kite Festival is celebrated that begins at dawn and continues without a breather, throughout the day. The world's most popular kite festival attracts residents and tourists from the world over to display their kites. An experience of a life time, only in Gujarat.
