

Three Cheers to the Spirit of Success!

And the award goes to...

Superstars Shahrukh Khan, Bipasha Basu, Sushmita Sen, hot young actor Ranbir Kapoor, tennis ace Sania Mirza, and director Farah Khan... they all came together at a night that celebrated spirit, attitude, and the fearless side of fabulous women (and two very special men!) at the first-ever Fama Di Wills Cosmopolitan Fun Fearless Female Awards 2008, held on the 1st of November 2008, at Mumbai's ITC Grand Central hotel. Raising a toast to women who represent the true Cosmopolitan spirit; women who are as fun as they are fearless in the pursuit of their goals, Cosmopolitan honored 16 Indian women and men from the world of Sports, Theatre, Music, Film Direction, Acting, Modeling, Styling and more. Cosmopolitan chose to invite 14 fun fearless males, ranging from supermodel Milind Soman to designer Rocky S, actors Purab Kohli and Jimmy Shergill, makeup pro Mickey Contractor among others, to present the awards to the women awardees.
