Cash Cow or CANNIBAL?

This could be 20 questions but the answer is the same: Twenty20 is here and cricket as we know it will change

Said the lady from Maida Vale to the Lankan family, "Going to the cricket? What time's kick off?" In the last few days of the ICC World T20 it was abundantly clear what had resonated with its native audience, enough to sell 96 per cent of tickets and generate gate receipts in the region of £15 million.

Along with the vocal support of England's South Asian expatriate population, the World T20 delivered what it promised: the game's shortest format, the world's best players and all-out action that made the most of
