

HARYANA : A Status Report

As many as 3,865 Industrial Entrepreneur Memoranda (IEMs) and 248 letters of intent have been filed with Government of India (up to December, 2008), for setting up projects in Haryana catalyzing an investment of Rs. 51,462.50 crore and Rs. 4,834 crore, respectively. Out of these, 2,234 IEMs and 164 Letters of Intent (LOIs) involving an investment of Rs. 22,038.24 crore and Rs 3,775 crore have already been implemented resulting in generation of employment for 3,92,779 and 46,270 persons.

HARYANA TOPS IN IMPLEMENTING IEMS

Haryana today ranks number one in the country in implementation of the Industrial Entrepreneur Memoranda/Letters of Intent. At present, 92 IEMs are under implementation, which will involve an investment of Rs. 3,741.82 crore. In 2007-08, 132 IEMs catalyzing investment of Rs. 6,627.47 crore have been filed. In 2008-09 (up to October, 2008) 43 IEMs having an investment of Rs. 1,356.95 crore and generating employment for 18,726 persons have been filed. During the tenure of the Hooda Government, 613 IEMs have been filed catalyzing investment of Rs. 15,680.42 crore and creating employment for 1,69,597 persons in large and medium sector. After liberalization of the economy, 291 units were registered with the Government of India as 100 per cent Export Oriented Units (EOUs). Out of these, 131 EOUs have gone into production creating investment of 2,086.30 crore and providing employment to 14,572 persons. At present 26 hundred per cent EOUs are under implementation,

which will catalyse investment of Rs. 953.87 crore and employment to 2717 persons. Furthermore, where licensing is compulsory, the Government of India has granted 99 Industrial Licences' since July 1991. Out of these, 72 Industrial Licences were implemented generating investment of Rs. 688 crore, and employment to 18,636 persons. So far, Haryana has received FDI worth Rs. 12,500 crore out of which, Rs. 9,000 crore came after implementation of the new Industrial Policy of 2005.

EXPORTS TOP RS 30,000-CRORE MARK

Exports from Haryana in 2007-08 crossed Rs. 30,000 crore; the main items being software, handloom products, scientific instruments, garments, automobiles and automotive components, electrical appliances, rice, guar gum, pickle etc. For simplifying procedures for setting up industry, the institutional mechanism has been strengthened. Two Investment Promotion Centres, one at Delhi and the other at Chandigarh, have been set up to act as a single-point contact agency to provide information, guidance and hand holding services for venture location. With a view to facilitating time-bound clearances/approvals from the state government agencies, the Haryana Industrial Promotion Act 2005 has been enacted and a Self-Certification Scheme introduced. Haryana is the first state in the country to have introduced a Labour Policy to create a friendly environment and to bring cordial relations between the employers and the employees.

IMPETUS FOR INFRASTRUCTURE

For development of industrial Infrastructure, the State Government has designated the Haryana State Industrial and Infrastructural Development Corporation (HSIIDC) as the nodal agency. The corporation is acquiring about 20,000 acre of land for development of industrial estates/parks, new economic hubs, special economic zones, mega petrochemical hubs, industrial model townships, theme parks ,food parks, gems and jewellery park ,apparel park/ textile park and foot wear and leather garments park. As a part of the State initiatives, the Kundli-Manesar-Palwal Expressway is under implementation, economic hubs would be developed around this expressway. This will generate large economic activities and employment.

This expressway which has been planned over a length of 135 kms, will pass through major towns from Kundli (Sonapat) on NH-1 to Palwal (Faridabad on NH-2) via Jhajjar, Bahadurgarh and Manesar. This expressway will be one of the four-laned road project to be built on BOT basis at an estimated cost of Rs. 1,200 crore for construction and Rs. 630 crore as the cost of land. The project has been awarded to M/s Madhucon-Apollo-DSC Consortium with a concession period of 24 years who have formed a SPV in the name of M/s KMP Expressway. The Land Acquisition process for acquiring about 3450 acres land with 100 mtr ROW for this project has been completed.

MORE INDUSTRIAL MODEL TOWNSHIPS

The Industrial Model Township at Manesar provides amenities and facilities of international standards. Keeping in view the success of this project, the state government has planned for massive expansion of IMT Manesar as well as setting up of another four IMTs at Kharkhoda, Rohtak, and Faridabad.

Encouraging investment in the industrial infrastructure in private sector, many developers of repute such as DLF, UNITECH, ANSAL & ADANI GROUPS have approached the State Govt. for setting up Industrial Parks in Haryana.

MAIN ACHIEVEMENTS OF HOODA GOVERNMENT

1. New Industrial Policy, 2005 implemented to make industry the key driver of economic growth. Multi-pronged strategy adopted to achieve the goal of attracting investment worth Rs.2 lakh crore and provide employment to ten lakh persons in the next ten years.
2. The Haryana Industrial Promotion Act, 2005(6 of 2006) enacted to provide time-bound clearances and approvals to industrial projects and provision of grant of deemed approvals for change of land use etc.
3. The Haryana SEZ Act, 2005 enacted to boost exports and attract industries on a large scale. Self-Certification Scheme introduced to curtail visits of inspectors.
4. Total investment of Rs. 40,000 crore has come to the state during the tenure of the Hooda Government and FDI of Rs. 9,000 crores has been catalysed.
5. Exports from Haryana increased to Rs. 30,000 crores in 2007-08 and during 2008-09 it is likely to touch Rs. 40,000 crores.
6. Haryana has received 100 proposals have been received for setting up SEZs involving an investment of more than Rs. 2,00,000 crore and employment potential for more than 21 lakh persons.
7. The state is the first in the country to have an industrial policy.
