The J.D. Power Asia Pacific 2009 India Vehicle Dependability Study ranks the Ford Ikon as India's most dependable entry midsize car and the Ford Endeavour as India's most dependable SUV. So now, every time you drive a Ford Ikon or Ford Endeavour, you can be sure that you are driving a vehicle that you can truly depend on.

www.india.ford.com

The Ford Endeavour and Ford Ikon received the lowest number of problems per 100 vehicles among sport utility vehicles and entry midsize cars, respectively, in the proprietary J.D. Power and Associates 2009 India Vehicle Dependability Study. The study includes 39 vehicle models covering 12 nameplates and was fielded from January to April 2009 in 20 cities throughout India.
