

National Board of Accreditation

Getting a NBA accreditation is like an audit for technical institution. It is necessary for students opting for higher studies as well as jobs abroad. Funds for the Technical

Education Quality Improvement Plan are also given to only those institutes that have NBA accreditation; Paavai Educational Institutions has achieved this milestone to their credit.

The Paavai College of Arts and Science for Women has courses of B.A English, B.Sc Maths, B.Sc Computer Science, Computer Applications, Commerce and Business Administration, all these, exclusively for women, and where the premises and the faculty are geared to making learning a privilege for women.

Polytechnic - Gainful entrepreneurship

At the Paavai Educational Institutions, Students build a career, explore new opportunities, and move closer to a successful, independent future. Keeping this in mind, the management at the Paavai Educational Institutions has had the foresight to see that hands on experience coupled with incisive training helps in building the core industries of India, especially the Electronics, Automobile and other related industries, acknowledging this, the Polytechnic wing of the Paavai Institutions has set up a college for Diploma courses in the afore mentioned subjects, this has been well received by the technologically inclined students who want hands on experience.

Teachers Training

Paavai Teacher Training Institute and Paavai College of Education offer D.Ted and B.Ed respectively, making it a very preferred option for aspiring teachers.

The co curricular activities have various aspects; facilities include a Humor club, Soft

Skills training from MMA, a premier academy for training. And the sports facilities are very well by the relevant faculty.

The facilities at the Paavai Educational Institutions are very well thought out for the student community maintained and encouraged by the relevant faculty.

Paavai Educational Institutions cultivate a dynamic environment filled with activities and organizations where students grow as individuals and thrive as professionals.

Paavai Educational Institutions adds new dimensions of international understanding and cultural diversity in the general education curriculum and in co-curricular programming.

The Management at Paavai believes that where students are valued and respected, where they are challenged and helped to succeed, and where they can develop a strong sense of belonging and confidence about their roles in society.

The Chairman, Shri CA.N.V.Natarajan holds it strongly that there can be no half measures in quality and this belief makes the difference in the process. Also when people are built, society benefits, and thereby the nation, bringing in a cutting edge of technology, and added value to life.

Shri CA.N.V.Natarajan
