

Dehradun Institute of Technology

Fast Forward Your Career

In an era when increasing numbers of students are enjoying the benefits of higher education in India, it becomes increasingly important to select an institute that offers courses relevant to both current and future employment in a globalised world.

DIT is dedicated to providing its graduates with a competitive advantage and the capacity for advancement in the highly competitive employment market. Our success in this regard is confirmed by our enviable placement record over the years.

The Institute's vision is to be a national university for excellence in education for the professions, strategic and applied research and flexible delivery of learning and teaching. Our mission is to enhance communities with national and international scholars, researchers and institutions with whom our staff and students are linked.

DIT places a strong emphasis on input from industry and professional groups to ensure our graduates have the right combination of theory and practice to be competitive in the international economy. Through well-developed and proactive links with these groups, our graduates can confidently embark upon their professional careers with the knowledge that they will be well received by employers around the world.

With highest quality teaching, outstanding overseas partners, excellent placements and a fantastic learning environment - DIT is a well proven route to future success. We would be delighted to welcome you as a student into this exciting environment.

Prof Krishna Kumar is an aerospace engineer from British Columbia, formerly Dean of Academics, IIT Kanpur and Former Director, MNIT Allahabad.

NSHM Knowledge Campus

AN INDUSTRY INTEGRATED COLLEGE

NSHM Knowledge Campus is one of India's leading knowledge hubs that strive to impart practical skills in a real world situation. Being a new age school and not bound by convention, part of the experience of being a student here is to make discoveries about oneself and making the most of one's potential on the way to becoming a skilled, performance driven professional of Corporate India. The Durgapur campus comprises the NSHM School of Hotel Management, NSHM College of Management & Technology, NSHM Business School, NSHM Centre of Management and Development Studies, while the dynamic Kolkata Campus has the NSHM Institute of Media and Communication, NSHM College of Pharmaceutical Technology, NSHM Centre of Management and Development Studies, NSHM College of Management & Technology and NSHM Business School offering world-class MBA programmes. NSHM Gurgaon has the NSHM Centre of Management and Development Studies and the Bengaluru Campus has the ISHA-NSHM Centre for Healthcare & Management.

NSHM Knowledge Campus is an industry integrated college, having industry relevant courses in order to harness new talents & make them competent enough to face global business challenges. NSHM itself is an initiative by three industry stalwarts, namely, the SPS Group, the Synergy Group & the Multicon Group.

SPS GROUP

The Rs. 3500 Crore SPS Group, spearheaded by its Chairman, Mr. Bipin Kumar Vohra, is a leading manufacturer of full range of Iron & Steel Products with manufacturing plants at Durgapur - West Bengal, Jharsuguda - Orissa and Bilaspur - Himachal Pradesh. The well known "ELEGANT" brand pioneered by the company can boast of the finest construction TMT Bars that measure up to international standards. SPS is keenly building the IQ City on 100 acres in Durgapur and the 200 room Hotel Property in Kolkata to be operated by ITC - Fortue. The Group's Core business verticals are - Steel, Power and Minerals, Education, Hospitality, Real Estate and Infrastructure.

SYNERGY GROUP

Synergy Group, led by Mr. Cecil Antony alongwith Mr. Amitabh Gupta, Mr. Francis Antony and Mr. Prashant Kumar, all technocrats, started its operation in the early

90's. The entrepreneurs had a dream to take business beyond boundaries. Over the last decade the group has seen growth at an impressive pace and has diversified into uncharted territories like Plant Tissue Culture, manufacturing of Solar Photo-Voltaic Modules for exports, building the 100 acre IQ City, etc.

The Group's core business verticals are - Education, Bio-Technology, Infrastructure, Hospitality and Renewable Energy.

MULTICON GROUP

Multicon Group, over two decades in existence, headed by its Chairman, Dileep Singh Mehta, a Chartered Accountant by qualification, is today a multi-portal enterprise. The group's flagship real estate business has achieved over 2.5 million Sq. ft. of prime space in the city of Kolkata. It holds substantial interest in Cablecomm, the largest reach MSO in the country and in a 100% EOU Granite manufacturing unit.

The Group's core business verticals are - Real Estate, Media & Internet Services, Exports, Travel Services, Financial Services and Supply Chain.

In response to the fast changing economic environment, NSHM has added an international perspective to all its activities. It has encouraged overseas knowledge partnerships & a few of them are:

- Adobe Communication Design
- Apple Media Platforms
- Avaya global Connect System Integration
- British Council Business English
- Essilor Contact Lenses
- Institute of Manufacturing Resource Management of India Supply Chain Management
- Institute of Transport & Logistics of India Transport and Logistic
- National Entrepreneurship Network Entrepreneurship & Incubation
- Retailers Association of India Retail
- Oracle WDP PLSQL, Forms, Report, Database Administration
- Amadeus Technology Partner of Airlines, Travel & Tourism and many more....
