

GLOBAL INSTITUTE OF TECHNOLOGY & MANAGEMENT CREATING VALUE DRIVEN MINDSET AND SHARP INTELLECTUAL ACUMEN

Global Institute of Technology & Management, Farrukhnagar (Gurgaon) is a premier institution of NCR offering quality technical education in a world-class environment. The college is approved by A.I.C.T.E. & affiliated to M. D. University, Rohtak for offering B.Tech. Courses in CSE, IT, ECE, ME and Post Graduate Course in Management (MBA). Sprawling over 18 acres of land amidst peaceful surroundings, the college imparts World-Class Education, setting new benchmarks in engineering education where industry, technology and innovation unite together to make it a college with a difference.

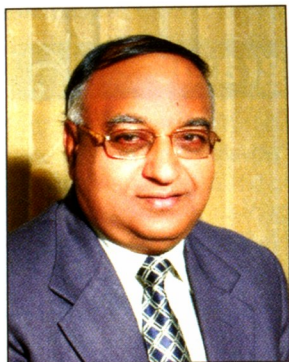

The campus can boast of its acoustically designed air-conditioned class rooms equipped with modern gadgets and equipments; academically conducive ambience, state-of-the-art infrastructure, Wi-Fi connectivity, well-equipped Labs and workshops, spacious and extensive playgrounds, digital library with multimedia features, separate air-conditioned hostel facilities for boys and girls, air-conditioned buses plying from different parts of Delhi & Gurgaon. One of the

biggest strengths is our faculty members with rich and valued experience drawn from institutes of repute like IITs, BITS, NITs etc., who have distinguished academic achievements to their credit and are actively involved in teaching, training, research, consultancy and a big knowledge pool of expert guest faculty comprising specialists from industry & research institute for ensuring a new edge to corporate learning and striking a balance between theory and practice.

The college has linkage with reputed industries and corporate sectors to develop entrepreneur skills and provide global exposure to the students by offering opportunities of constant interaction with industry professionals through summer internships, industrial visits, seminars, mock interviews, pre-placement talks and thus preparing the students to face the corporate world. Here at an excellent learning environment is ensured at all times to display superior leadership qualities along with a value driven mindset and sharp intellectual acumen to give the Globalites an edge over their peers.

Welcome to the world of success!!

YOGESH MOHANJI GUPTA
CHAIRMAN

The Good things in life can be yours if you have a truly strong motivation for achieving them. One's attitude determines one's future irrespective of the chosen field. You need the desire to change and also the desire to forge ahead. And then, if you proceed in a logical manner, you will surely succeed.

To win in the competitive world you must acquire the right knowledge and personality. If you have the pluck, you can invariably attract luck. Be proactive and enthusiastic always, be the man of your own circumstances.

As you are all set to become serious about your careers let's talk about an institute that can provide you an environment to accomplish your goals.

IIMT 16th year of polishing potentials imparts quality education in a motivating and innovative environment where students are empowered not only with knowledge and skills but also with values, ethics and respect of human dignity.

Since its inception in 1994, IIMT has attained a distinct and a respectable place amongst the best professional education institution in India.

There has been a considerable change in the overall world environment and also in the attitude and interest of every individual both in economic and social terms. The economic growth over a period has given opportunities to every one to grow professionally by going for various forms of professional qualification exposure.

At IIMT, with a wide range of programmes to choose from, students have an opportunity to specialize in the areas of their choice, the ultimate objective is to prepare our students to accelerate in this fiercely competitive world.

At IIMT, guest lectures made by specialists from corporate sector helps our students to develop skills, which are essential in the corporate world.

The combination of high quality programmes, lush green campuses equipped with state of art infrastructure, dedicated and efficient faculties provide a good platform to the upcoming talents.

So, to gather the fruit, to register victory, to score success and to have best ROI, you need to have such a platform.

We assure that IIMT will take you to your goal.
