

What is it that
separates the best

ENGINEERING COLLEGE

from the rest?

GL Bajaj
A different class altogether

As India continues making rapid strides in the global arena, be it in Medicine, Science & Technology, Yogic Sciences, the need is getting increasingly critical, not just for quality education, but also for very high standards of professional education. Opening up of the Indian economy has ushered in plethora of MNCs and big-time professionally-managed organizations creating immense opportunities for the present, as well as, future generation.

GL Bajaj truly stands out of the crowd in training aspirants for these world-class lucrative career options. In the present scenario when new institutes are mushrooming in every nook and corner of the NCR, it is feat that we have made a benchmark in the field of technical education. Our expertise coupled with rock solid principles, excellent infrastructure, dedicated faculty members, holistic teaching methodology and strong industrial relations, has placed us well above the rest.

CREATING WORLD-CLASS PROFESSIONALS

We, at **GL Bajaj**, firmly believe that quality education with humanistic values is the essence of a successful career and life. Since our inception in the year 2005, we have been established as 'Global Providers' of exclusive, high-profile talent. The Institution is approved by **ALL INDIA COUNCIL for TECHNICAL EDUCATION (AICTE), Ministry of HRD, Govt. of India** and affiliated to the **U.P. Technical University, Lucknow**.

A perfect blend of academia and modern technology, **GL Bajaj** strives to train and develop most promising professionals in the atmosphere that is most congenial for their growth and development. Our students are exceptionally talented matching international standards and are also blessed with time-honored virtues of honesty, sincerity and perseverance.

R. K. GROUP AT THE HELM OF GL BAJAJ EDUCATIONAL HERITAGE

GL Bajaj is one of the institutes under the prestigious aegis of R.K.Group, a well known education group running six institutions which are on their glorious path of imparting quality education to thousands of students and budding professionals in the fields of **Engineering & Technology, Management, Dentistry, Pharmacy, Education & Basic Sciences**, since 1997 in Mathura and 2005 in Greater Noida.

IDEAL LOCATION

The sprawling and fully-integrated campus is strategically placed in the heart of Knowledge Park-III, Greater Noida, India's one of the biggest hubs of premier educational institutes. We are surrounded by world's most progressive financial and commercial centers and our prime location has been instrumental in helping us forge links with organizations based here, ranging from financial and multinational giants to aggressive new start-ups. The premises itself is a proper

blend of infrastructural and architectural ultimates to foster better learning and living.

DISTINGUISHED FACULTY

We have a combination of diverse talents and experience that is fully committed to the profession and has high standards of ethics and morals. Special care is taken by each faculty member to groom the students in such a way that they are able to generate a skill base which can meet any kind of career challenge with utmost ease. Each self-driven department viz.: **Computer Science & Engg., Electronics & Communication Engg., Mechanical Engg., Information Technology, Applied Science & Humanities, Electrical & Electronics Engg., Master of Business Administration (MBA) and Master of Computer Application (MCA)** has an independent infrastructure. The heads of these departments supported by a team of Professors, Asst. Professors, Sr.Lecturers and technical / administrative staff device their own innovative ideas to enrich the educational experience.

Further, the faculty is also encouraged to attend workshops, conferences and seminars. The core faculty has good number of publications on national platform. In order to keep our faculty abreast of their discipline, **Faculty Development Programs (FDP)** are conducted. We have been associated with **CII & WIPRO** under FDP and other developmental activities. We also invite eminent professionals from industry and corporate business leaders as visiting faculty to interact regularly with our faculty.

TEACHING METHODOLOGY

Our teaching methodology is in complete synergy with the latest and ever-evolving market trends. Through case studies, audio-visual presentations, group discussions, role-plays, brainstorming sessions, industrial visits, special lectures from experts, projects, seminars and quizzes we enhance analytical power, conceptual behavior, soft skills and communication ability of the students. Extra stress is laid upon developing problem solving strategies and team spirit. The thrust is more towards practical orientation backed by a thorough theoretical base. The syllabi is analyzed and revised every year as per the latest additions in industry and research. Apart from this, **GL Bajaj** concentrates on developing well-rounded individual personality and group dynamics.

FINEST FACILITIES

We provide our students exemplary facilities viz. state-of-the-art labs, conference halls, comfortable hostels, multi-cuisine
