

LBSIM: An Integrated B-School

ANIL SHASTRI
CHAIRMAN

Developing professionals with 'Vision' and 'Versatility' in accordance with 'Ethics', 'Values' and 'Principles' of Shri Lal Bahadur Shastriji, is the philosophy of Lal Bahadur Shastri Institute of Management (LBSIM). Established in 1995, primarily to perpetuate the ideals of Shastriji, LBSIM is now recognized as a premier and a top-ranking institution in Management and Information Technology education.

At LBSIM, the focus is on:

- Producing, grooming and nurturing professionals with a humane and pragmatic approach, the essence of which lies in the 'team-work'.
- Supplementing class-room learnings with real-life field experience through mandatory one day a week 'Corporate Interface Day'.
- Imparting time-tested skill sets in lab environment, e.g. helping participants to hone communication skills through audio-video recordings/displays, etc.

- Regular proportion of class inputs on 'theoretical' as well as 'conceptual' insights from eminent corporate stalwart through mandatory 20 per cent of the session input per course coming from such external experts.
- Inculcating and nurturing the habit of 'life-long-learning' through mandatory hours every day for accessing, retrieving and using select learning resources.
- Prompting and encouraging students to come out with and implement creative/ innovative ideas through their various formal / informal student bodies like "Grids", "Clubs", etc.

Lal Bahadur Shastri National Award for Excellence in Public Administration, Academics and Management, instituted by LBSIM in 1998, is given each year on the eve of the birth anniversary of Shastriji, i.e. October 1, by the President of India in Rashtrapati Bhavan. The honour carries a cash award of Rs. 1 Lakh, a citation and a plaque. Earlier recipients of this prestigious Award have been Prof. C.K. Prahlad, Mr. Sam Pitroda, Mr. N.R. Narayana Murthy, Dr. R. A. Mashelkar, Smt. Ela Ramesh Bhatt, Shri C.P. Srivastava, Dr. Naresh Trehan, and Dr. M.S. Swaminathan. The jury has selected Dr. E. Sreedharan, Managing Director, Delhi Metro an eminent institution builder for the 2009 Lal Bahadur Shastri National Award.

India needs management professionals catering to the highly complex needs of dynamic corporate world – specially the SMEs and the public systems. It is also essential to develop faculty, course curriculum and infrastructure comparable with best so that outflux can be reversed for Management and Technical Education. The fee structure also needs to be rationalized keeping in view the requirements of educational institutions at different levels.

MODERN VIDYA NIKETAN A PIONEER IN BRINGING EXEMPLARY CHANGES IN EDUCATION

Modern Vidya Niketan Society instituted in 1983 under the dynamic patronage of its illustrious founder Sir Gopal Sharma, a great visionary and a pioneer in quality education, is two and half decades rich. Ever since its inception the society has been a pioneer in bringing about exemplary changes in education & keeping in line with the changing scenario, caters to an activity oriented curriculum which moulds the child into a perfect human being. The Society aims at "Quality Education For All". It was by virtue of his (Sir Gopal Sharma's) magnetic charisma & iron will power, that he actualized his vision and started two institutions namely MVN School, Sec – 17 and MVN Aravali Hills. In the year 2000, Modern Vidya Niketan Society started MVN Aravali Hills, built on 7.5 acres of land, a magnificent 5 storeyed school situated amidst the lush green environs of Aravali Hills with Ultra modern facilities. People of Fbd. Place MVN Schools under the highest esteem because of their adherence to the strictest norms of discipline & hard work. MVN School, Sec – 17 has been giving a No. of IITians and Medicos to the country each year.

MVN, Schools, an epitome of excellence, in the field of education is undoubtedly the best at the national level. First rank at the national level in IIT - JEE 2009 & AIEEE by Nitin Jain and 140 selections in IIT speak volumes about the quality of education imparted.

The Society has constantly been setting bench marks and continued the spirit of spreading knowledge and building industry ready professionals. It has decided to step into the area of Technical & Professional Education, with two engineering Colleges - Gopal Sharma Modern Vidya Niketan Institute Of Technology (co-ed) & Les Filles MVN Institute of Engineering And Technology (for women) and one Management Institute – MVN Business School – Palwal

These will now blaze the trail of educational excellence, giving a new dimensions to education in India with world class faculty, infrastructure, industry institute interface, relevant courseware and programmes. The College got good ranking in counseling this year and is getting better day by day with there students opting for these colleges.
