

NATIONAL INSTITUTE OF APPLIED MANAGEMENT

NIAM was founded in August 2002 by a group of visionaries with a mission to redefine and redesign the contemporary education system. NIAM is the brainchild of proficient Academicians, Technocrats, Financial experts and other professionals from various fields with proven credentials and rich industry experience. As a result of the practical experience and professional associations, NIAM team has visualized industry requirements and the simultaneous need to refine the quality and equip the caliber of future human resource striving to excel in a global and increasingly competitive environment. NIAM has been the pioneer and undisputed leader in the field of 'Industry Integrated' management education.

Former President APJ Abdul Kalam's words, 'Education and Employment must be interlinked,' have been a source of constant inspiration. NIAM is the perfect interface between the students and the business environment. NIAM education is, therefore, a blend of 'Academics', 'In house Training' and 'On the job Training'.

With over 1200 corporate tie ups and more than 5500 students in 50 centers across India, BBA & MBA has been mentoring and building careers of students through a broad spectrum of its industry integrated MBA and undergraduate programmes. Over the years, the NIAM vision has successfully built a force of efficient and experienced students. These students are both mentally equipped and educationally empowered with all the perquisites of industry requirements.

NIAM has become the focal point and household name for all students who look out for quality education and career assurance. NIAM has now extended its

focus on undergraduate students and established its new campus in NCR, Faridabad with a motive to cater to the ever increasing demand of quality education. The courses at NIAM, Faridabad campus are affiliated to Maharshi Dayanand University, Rohtak & Gauhati University, Gauhati. The innovative programmes provide provisions to link education and industry.

PROGRAM HIGHLIGHTS

- Regular degree program
- A bridge between industry requirements and present education system
- Complete personality development
- Advantage of Industry experience
- A perfect interface between students and the industry demands
- A broad spectrum of job opportunities through corporate tie ups

NIAM has state of the art infrastructure facilities, such as classrooms with LCD projectors and PC/Laptop facility on students seats, computer labs, and library. Personal attention is provided to individual students by following 'mentor-mentee' practice with an objective to monitor overall progress and to help students become confident, committed and motivated team players.

For the outstation students, excellent hostel facilities are also available. The institute provides transport facilities for all the Delhi, Faridabad and NCR students.

Baldev Ram Mirdha Institute of Technology, Jaipur INDIA'S LEADING INSTITUTE OF TECHNOLOGY

Baldev Ram Mirdha Institute of Technology (BMIT), Jaipur established in the year 2003 has carved for itself a niche in the field of Technical Education in Rajasthan in a short span. BMIT, approved by AICTE and affiliated to Rajasthan Technical University has become one of the most sought after destinations for the young pupil planning to shape their future in the ever growing field of engineering and technology. The institute provides a four year Bachelor of Engineering (B.Tech.) degree course in Electronics & communication, Computer, IT, Civil and Electrical streams.

(BMIT) with its pioneering efforts in Industry-Institute tie-ups has active academic collaborations with global IT giants like Microsoft, IBM, Sun Microsystems, Red Hat, ITG, Oracle & Infosys, thereby providing its students a unique opportunity to have hands on experience on the contemporaneous software and modules of these giants being used in the industry.

BMIT is proud of its dedicated and highly motivated teaching faculty. The institute boasts of its vibrant and full of life campus, its state of the art laboratories, its modern computerized library & its homely hostel equipped with hygienic mess and other amenities. BMIT has a state of the art network connecting its entire premises including all its labs, library, lecture theaters and even hostels.

BMIT takes special pride in its Training & Placement cell. It is a high priority, high investment area & The cell provide maximum opportunities to the students & tools to facilitate the job-hunting process. The T&P Cell organize several workshops and other events to establish closer relationship with the corporate sector and organize on campus interviews with several companies like IBM, Accenture, Infosys, i-flex, Syntel, Patni, Hexaware, Mastek, TechMahindra, Persitent, M Phasis, Birla Soft, L&T Infotech, Wipro & many more.
