COMPANY SECRETARYSHIP (CS)

In Pursuit of Professional Excellence

By virtue of integrated knowledge of multiple disciplines of law, management, finance and corporate governance, a Company Secretary is the vital link between the company, the Board of Directors, shareholders and governmental and regulatory agencies. He is a compliance officer of the company as well as Corporate Planner and Strategic Manager. Apart from carrying out these functions he also looks after finance, accounts, legal, personnel and administrative functions. Company Secretary is required to handle matters related to central/state sales tax, excise laws, labour laws and corporate law.

Career as a Company Secretary is not only prestigious and financially rewarding but also carries with it a high level of job satisfaction.

"The Institute of Company Secretaries of India (ICSI)", a premier national professional body, offers the CS course (imparting education primarily through distance learning/ correspondence). Oral coaching classes are optional.

Established by an Act of Parliament (Company Secretaries Act, 1980), ICSI develops and regulates the profession of Company Secretaries.
