

Experience

be Somebody

Welcome to the world of BMIT, where we provide you a world class education embedded with your overall development. We at BMIT are constantly striving towards excellence through our strong academic values. Our lush green campus is dotted with modern laboratories and research facilities providing an ideal setup for learning.

BMIT with its pioneering efforts in Industry-Institute tie-ups has active academic collaborations with major global IT giants like Microsoft IT Academy, IBM Corp., Red Hat, Oracle & Sun Academic Initiative.

Once at BMIT, you will find an atmosphere that is both collaborative and energizing. You will be learning through your professors and fellow friends in a close knit collegiate environment. You will find inspiration and support from our friendly campus and above all you will receive an education that will form your strong foundation for catapulting you in the top notch corporate world.

be Aware
