

provide current industry perspective and changing trends. CCR also looks after making arrangements for summer training, group discussions, campus interviews and final placement of students.

Placements: AIT students have been successfully placed in organizations such as Wipro, Hughes Systems, Sapient, Mahindra British Telecom, IDBI, Pricewaterhousecoopers, Carlson Wagonlit Travels, ICICI, Cisco and Sahara India. Its students who have gone overseas are working for top MNCs like KPMG, John Deere, Motorola etc.

Industry Tie-ups: There is considerable emphasis on developing Industry Tie-ups to offer joint programs and undertake collaborative research and consultancy with reputed companies like Pantaloon (Retail Management), HP, IBM and many others. Ansal institute has academic alliance with world IT leaders like Microsoft and Cisco.

International Exposure and Practical Experience: At Ansal Institute students are provided global opportunities to get invaluable international exposure to the best practices of the global corporate environment and learn more about the work culture overseas. The students get international exposure by regular interaction with professors and students from overseas and by attending international conferences organized at the campus.

Impressive Track Record

Over 700 students from Ansal Institute have been accepted by ranking and reputed universities in the US, Australia and Canada in the last few years and

are bringing laurels to the Institute. Most of these students have gone on scholarship/assistantship demonstrating the International recognition of Ansal Institute's high-quality education.

Students who make it to Ansal Institute carry the dreams and determination to emulate the feats of successful alumni of Ansal Institute like

- Kumar Jeev who went to Johns Hopkins
- Daksh Varma who went to University of Western Australia
- Kunal Gogia who works for KPMG
- Himanshu who is doing MS (CS) at Columbia
- Manuj Yadav who went to Australian National University
