

GALGOTIAS

COLLEGE OF ENGINEERING & TECHNOLOGY

► Adjudged among the Top Engineering Colleges with world-class infrastructure and faculty by a leading business magazine.

Award Presented by Hon'ble Former Minister of State for Home
Shri Sriprakash Jaiswal.

"Galgotias College of Engineering & Technology (GCET) has the potential to become one of the finest Engineering Colleges in U.P." recommends U.P.T.U. Vice Chancellor.

As a mark of great honour, Galgotias College of Engineering & Technology has been highly complimented for its world - class infrastructure and is honoured with Award of Excellence - the prestigious **ACADEMIC EXCELLENCE AWARD 2008-09** presented by Hon'ble Former Minister of State for Home Shri Sriprakash Jaiswal.

GCET has been lauded for the college's management system, physical ambience & quality policy on student's admission by Hon'ble V.C. Prof. Prem Vrat (U.P.T.U.) in a recent assessment program. He has enumerated the director's excellent academic commitment as one of the major strengths of the GCET & sees in the institute the potential to become one of the finest Engineering Colleges in U.P.

What's more the appreciation comes in tow with GCET securing 100% placements for MBA 2009 batch of students in engineering branch.

Indeed the slowdown has no effect on the placement offers pouring for the Galgotians who are raising the bar of professional expertise. Industry in the entire educational fraternity are bestowing honors on the Galgotians spirit to excel. Truly the eight decade rich teaching learning experience legacy is setting examples to follow.

GCET Faculty- the best are here

Names to reckon with, the GCET faculty members, besides being experts in their respective fields, are also well-versed in cultivating an entrepreneurial, innovative and international

mindset of the students. Education here is not just about imparting B.Tech, MCA, MBA & PGDM courses, but creating for the students a perfect platform to realize their dreams, hone their cognition, sharpen their competence and carve out a wholesome personality. The accomplished team of teachers and professors

groom and guide them to the best of their capacity. They work

most diligently towards synergizing theoretical knowledge and practical skills to promote all-round professional competence of these GenNext engineers.

Recently, the faculty of GCET earned recognition from highly respectable corporate group, WIPRO that has selected faculty members from key institutions to update and train them with latest pedagogy so that they, through the newly acquired know-how, raise the Employability Quotient of the students to global standards.

High profile guest lecturers from premier institutions and corporate houses are regularly invited to address students and promote innovation, scholarship and ability to analyze, experiment and synthesize.

World-class Infrastructure

The management at GCET is continuously exploring newer ways to give the students world-class ambience and amenities. At the most strategically located, vast, vibrant and Wi-Fi enabled campus extraordinary learning experience is gained by the chosen

In fact it offers a curriculum that instills skills, training that imparts competence and an educational process that endows one with the corporate personality to ensure lifelong success
