Nurturing Entrepreneurship Skills

The Entrepreneurship Development Cell formed in tie-up with National Entrepreneurship Network, an organization supported by IIM Bangalore, IIT Bombay and Stanford University organizes special programs from time to time to help students inculcate these qualities. GCET has also extended MOU with Infosys for Campus Connect Program for another 3 years. The Industry Institute Liaison Cell works enthusiastically, dealing with experts, industry's best employers. It conducts exhibitions, consultancies, technical festivals, awareness camps, lectures and workshops to turn students into entrepreneurs.

Perfect Guidance by CPDD

Application of out-of-the-box teaching techniques to tackle problems innovatively and in a resource-saving way is taught here. The students are involved in various activities such as case studies, group discussions, seminars, workshops, quizzes, academic excursions and institute-industry interaction. The ever zealous Career Planning & Development Division constantly develops training and motivational modules that

include soft skills like stress management and analytical thinking.
