Knowledge, Innovation and Entrepreneurship are key ingredients to growth & success. SME's in India are displaying this in abundance by playing a major role in driving the growth of the economy.

The Business Today SME Awards 2009, presented by YES BANK, is a prestigious and exclusive platform that seeks to honour achievers, innovators and enablers in the SME sector. These awards will recognize and salute the spirit of Innovation & Entrepreneurship amongst SME's.

Watch out for the winners in the Business Today SME Awards, coming shortly.
