

# SHRI RAMSWAROOP MEMORIAL COLLEGE OF ENGINEERING AND MANAGEMENT, LUCKNOW

## Foundary of Talent Fountain of Knowledge

**With 100% placement record, Shri Ramswaroop Memorial College of Engineering and Management, Lucknow has earned a distinction among students. All the courses run by the College are approved by AICTE or UP Technical University. Such high is popularity graph that it is going to attain the status of Deemed University in the coming months**

A few years back what started as a dream, is today one of the leading institutes of higher education in India. Yes, its Shri Ramswaroop Memorial College of Engineering and Management (SRMCEM). SRMCEM offers a spectrum of degree programmes in domains like engineering, computer application and management. With the vision in mind to create a cadre of worldclass engineers and managers that can lead India to claim its rightful place in the advanced world and be at ease anywhere on earth as experts and leaders in their fields of specialisation. And SRMCEM has definitely earned a distinction among students. So high is its popularity graph that it is on to attaining the status of a Deemed University in the coming months.

Recognised by AICTE and affiliated to U.P. Technical University, the College is soaring high under the able leadership of two gold medallist graduates of IIT, Kanpur- Mr. Pankaj Agarwal and Mrs. Pooja Agarwal, who have meticulously systematised the college as one of the premier institutions of U. P. Technical University. Plus, its Principal, Prof. A. K. Mehrotra, is also a product of the IIT system. He has

significantly contributed in building the image of the College. It is also an ISO 9001-2000 certified institution and a member of NAPSIPAG.

Nagendra Kumar Agarwal, Secretary, SRMCEM aptly says, "The college provides best of infrastructure and a spirited ambience to shape the career of its students."

### What sets SRMCEM apart

"Creative mindset combined with academic knowledge can create ripples in the society" is the saying of its director Mr. Pankaj Agarwal. That was also the dream of Sri Ramswaroop Agarwal and Shri Lakshmi Narain Agarwal, a leading industrialist of UP that the College should roll out such students who could contribute to the cause of the nation. The college feels proud today that it has achieved the goal set by its founders. SRMCEM is dedicated to producing technical managers, entrepreneurial managers and multi disciplinary managers, all of whom will be specialists in their respective field of interest. The college puts its best effort to develop professionals who are equipped with not only
