

It is high time to realise the dearth of technocrats in our country, with current advancements, emergence of qualified professionals has become the call of the hour to share the responsibility of the government. In this magnanimous job, SRMCEM is committed to produce the best of professionals.

LAKSHMI NARAIN AGARWAL
Chairman, SRMCEM

academic knowledge but also possess positive attitude, skills, entrepreneurship, sensitivity, responsibility and a vision to fulfill personal, organisational and societal goals.

The College is spread over a sprawling 50 acres located on Lucknow-Faizabad road, approximately 20 kms from Charbagh railway station. The built up area consists of administrative and academic blocks, canteen, and hostel blocks and other structures. The college has a centrally air conditioned library, the state-of-the-art Computer Centre and the best of laboratories. Meeting the requirement of upgradation and modernisation in a rapidly changing scenario, restructuring and revamping of the infrastructural facilities is done on a regular basis. Expansion of the college is a part of the same process.

The College has a uniquely improvised system of functioning having a proactive faculty base. Its evaluation process is well structured, wherein each student is evaluated on multi-facets and motivated to add to their grade points at every step. Apart from evaluation, extensive student interaction, colloquiums, seminars, projects and conferences are day-to-day exercises that students are asked to participate in. The College has a Student Senate, which extensively discusses academic and other problems openly and transparently with the management.

Emphasis on multi-cultural and cross-cultural environment

"We also lay emphasis on cultural front. For that we organise various seminars and symposia to expose students to the practical experiences of top corporate delegates," says Mr. Pankaj Agarwal.

The dean of SRMCEM says "SRMCEM offers an impressive range of academic resources. Becoming a student at SRMCEM will mean more to you than simply preparing for a career. College life will involve you not only in the acquisition of a formal qualification valued in society but also in the excitement of investigation. Beyond purely academic pursuits, the college offers a wide range of social, cultural and recreational activities.

Life at SRMCEM is like a mingled yarn. The college believes that only academic excellence is not enough in the present scenario. There are a variety of academic and non-academic pursuits that create a texture of professionalism for the students. There is always an emphasis on multiculturalism and cross-cultural communication to sensitise the students to a global environment. The college celebrates a unique cultural festival *Abhividyak*, which follows a decentralised system of arrangements giving every student a chance to become a part of it. This festival provides diverse opportunities to the students in order to interact with various corporate houses, electronic and print media, and diverse ethnic groups. The college works in an industrially relevant manner to understand the expectations of the corporate world and fine tunes its strategy and educational programmes accordingly. The college management has strong

links with software giants in India and abroad. The college is fully committed helping budding professionals in realising their full potential and in becoming the leaders of tomorrow in their chosen field.

ACADEMIC EXCELLENCE AWARD AND SCHOLARSHIP

To motivate the toppers and promote them in academics, the college has instituted an award in two categories. First is the Shri Ramswaroop Memorial Award for UPTU Merit holders. Final year UPTU topper from college is awarded 1 lakh cash. SRMCEM waives off tuition fees of the academic year topper of UPTU from college. Second is the Smt. Nirmala Agarwal Memorial Award for college merit holders. The cash award varies from Rs. 11,000 to Rs 1000. The Director of SRMCEM Mr. Pankaj Agarwal says that management helps the bright students if they have some genuine financial problem because we want that student should not lag behind due to lack of resources and they should focus on their studies and management will take care of their financial problem.

Laurels

In the last three years alone, many students of the College have secured merit positions. Two of its students have secured first and second ranks in the merit list for B.Tech First and Second year respectively, along with other merit positions in B.Tech and MCA final year in the U.P. Technical University exams. A professional college can withstand the changing time only if it guarantees placement of its students. Because of the academic excellence that the college has attained, many companies line up to pick candidates, prior to their completing the course before they complete the course. "We are proud to say that the college has an efficient 100% placement record. Recently TCS examined overall functioning of the college through the placement angle and found it worthy of its accreditation. The placement cell maintains close contacts with the leading industry names," says Ms. Pooja Agarwal, the Dean, SRMCEM. The companies of repute wherein the students of SRMCEM have been placed include TCS, IBM, Infosys, Wipro, Satyam, HCL Iflex, L&T Infotech, Accenture, Birlasoft, Tata Chemicals, Convergys, Igate, ICICI Prudential, HDFC Bank to name a few.
