AJAY SINGHAL

■ **OM LOGISTICS-** The last fiscal was an eventful year for the Om Group where company did organic as well as inorganic growth. The company acquired M/S Cross Road Logistic Pvt Ltd and integrated the company with OLL, shares Singhal. The company has started several joint venture relationships with international partners like, Tradia Corp, Japan in the name of Omtrax Packaging Solutions, shares Singhal. On the infrastructure front, after the successful launch of Bhiwandi-Mumbai warehouse, the Group is looking forward to their upcoming projects of setting up new warehouse facilities in Bangalore, Faridabad, Chennai, Ahmedabad, Halol, Pune, Noida, Goa and Patna, by the end of year 2009. Mr. Ajay Singhal, From the beginning only, the Group has been a technology connoisseur in the true sense of the word. The company has always used technology as a key driver to improve its management and operational processes. A visit to Om Logistics Ltd warehouse at Binola, Haryana can give a peek into the agile ways in which the Group is using different technology tools for developing cost saving methods of operations for creating new efficiencies. „ shares Mr. Ajay Singhal, Head - Logistics, Om Logistics Ltd., The group in the year 2009 plans to use its existing divisions and resources to provide cost effective and efficient logistics solutions to its customers. So much done, and so much more seem to be happening at the Om Group. For this logistics organisation that has always chosen the correct people and technologies for achieving perfection in its operations, the next success story is expected to be even grander than its all-previous feats. We wish them all the success! Says Mr. Ajay Singhal.
