WE ARE ONLY A FEW MINUTES AWAY.

FORTIS BRINGS WORLD-CLASS MEDICAL CARE CLOSE TO YOU.

At Fortis, our medical staff not only comprehends patients' reports but also understands the people behind the numbers. Indeed, we follow a total patient-centric approach to provide the best medical care, delivered by the finest medical team and supported by a highly advanced infrastructure:

- Proximity of our key departments minimises in-patient movement
- Our Hospital Information System facilitates quick access to patient details for a speedier diagnosis
- Reduced average length of stay saves a patient's time & money
- A 1:1 nurse to patient ratio assures personalised care for critical patients.

So for complete patient-centric medical care, visit your nearby Fortis hospital.
