

Legend has it that the Giant's Causeway was built to bring two ancient colossuses face to face. (But it would be just as glad to greet you instead.)

Ireland is not called the friendliest destination in the world for nothing. And being just one hour away from London, it's easy to get yourself one of our famously warm welcomes. To discover more about this world heritage site, just point your browser to [www.discoverireland.com](http://www.discoverireland.com) or call our toll-free number 1800 22 3473.
