

Hindustan Academy, Bangalore

GIVING WINGS TO YOUR DREAMS...

The Hindustan Academy, Bangalore has been in the forefront of imparting quality education to students in Civil Aircraft Maintenance, Aeronautical Engineering and Management Sciences in the last twenty five years. The academy has three institutions under its wings.

1. Hindustan Aviation Academy
2. HEA Polytechnic
3. Evehans Business Academy

Hindustan Aviation Academy (HAA).

The Hindustan Aviation Academy offers extensive academic programs in Aircraft Maintenance Engineering and Degree in Aeronautical Engineering for the aspiring candidates.

Hindustan Aviation Academy, Bangalore, is one of the top institutes in India offering three years aircraft maintenance engineering License course and four years Aeronautical Engineering course. The Aircraft Maintenance Engineering (AME) course is approved by the Director General of Civil Aviation (DGCA). The course is divided into six semesters with students deputed in the final semester for 'hands on' training with scheduled civil aircraft organizations. Students from the last batch were deputed for on the job training to Kingfisher Airlines, Air India and Singapore Airlines.

One completion of six semesters and after clearing DGCA examinations students are awarded the Aircraft Maintenance Engineering License, which qualifies them for employment in Civil Airlines as Aircraft Maintenance Engineers. The academy also conducts regular coaching for students in four year AMAeSI programme (equivalent to degree in Aeronautical

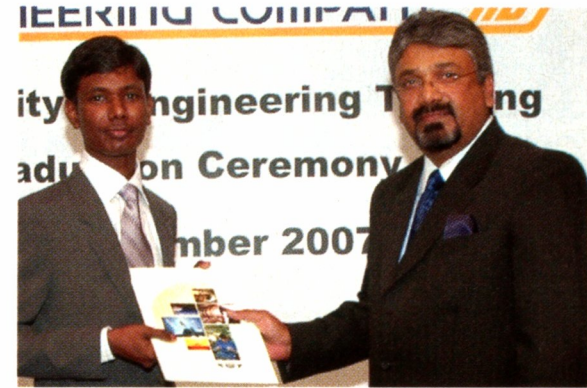

Engineering). The course is organized by Aeronautical Society of India. Four out of top ten ranks in the recent AMAeSI examinations conducted nationwide were bagged by students of Hindustan Aviation Academy.

Infrastructure

The Aviation Academy is equipped with a Learjet, a twin-engine light transport aircraft, HT2 trainer aircraft, Cessna aircraft, aircraft fuselage, piston engines, jet engines and a large number of aircraft parts for instructional purpose. It also has well-equipped Avionics labs with Aircraft electrical accessories, flight and engine instruments, Radio and Navigation systems and other aircraft training mock-ups. In addition to the practical training at the academy labs the students are sent to Taneja Aerospace, Hosur for on the job training every week.

Placements by HAA

Most of the former students from the Aviation academy are well placed as Aircraft Maintenance Engineers in public sector and private airlines such as Air India, Jet Airways, Kingfisher Airlines, Singapore Airlines, Emirates airlines etc. All these companies have complemented HAA for the high quality of training that has been imparted, and the dedication and hard work of our students.

Chairman K. C. Samuel PhD, giving away certificate in Singapore

AME students from the Academy go through a campus selection process by Singapore Airlines every year during their final semester. 43 students out of the batch of 60 in 2008 were selected after a series of written tests and interviews. They undergo eight months of training at Singapore Airlines Engineering Company and on completion of training the students get absorbed in Singapore Airlines.

HEA Polytechnic

Established in 1986, the Polytechnic is well known for imparting sound technical education for direct absorption into the industry. It conducts 3 year Diploma courses in Mechanical Engineering, Automobile Engineering, Electronics and Communication Engineering, Computer Science, Information Technology and Aeronautical Engineering. These courses are recognized by the Directorate of Technical Education, Govt. of Karnataka and also have the approval of All India Council for Technical Education (AICTE)

The classes are conducted by highly qualified and experienced lecturers.

The students of the polytechnic receive practical training in fully equipped electronic labs, computer labs, mechanical and automobile workshops. The academy has a well-stocked library, which contains books on aviation, management and engineering subjects.

A large number of Diploma students from HEA Polytechnic are absorbed by reputed industries every year.

EVEHANS Business Academy.

The EVEHANS Business Academy conducts BBM (Bachelor of Business Management), a three-year course approved by Bangalore University. The successful students are offered placements in the industry by the academy.
