

"Thank you, for making all my sunsets memorable."

When all else is ever so perfect, the words too come out so. Often the things you need to say are the very things you leave unsaid. Often the people who matter the most are the ones you forget to tell so. And then you find the Taj and it gives you that little nudge to say the things you should have said a long time ago.

It stays with you

 **TAJ**
Holidays
