Distinctly Ahead

THE ALL NEW XCD 135 DTS-Si. STOPS FOR NOTHING. WELL, ALMOST.

Bred in the same stables as the Pulsar, the new Bajaj XCD 135 isn't expected to stop too often. This marvel on two wheels also flaunts the pioneering 135 cc DTS-Si engine, 5 speed gear box and front disc brake. It's a bike you'd expect everything from. Except stopping.
