

Life gets a new flavour

Introducing **Equal Elaichi**

361-degrees

The next time you add a dash of sweetness to your tea, give it a new taste dimension too – the flavour of elaichi. Equal Elaichi is the first sweetener in the world that combines with its sweetness the well-loved taste of cardamom. So that you get all the flavour without the unnecessary sugar. Another way of enjoying life from the name that's a favourite in 80 countries.
