DR ANOOP PANT
DIRECTOR

AKGIM possesses an enviable infrastructure with all class rooms built in theatre style and air conditioned with mounted LCD projectors, OHPs and sound amplifiers. There are separate seminar halls and conference rooms for conducting academic activities apart from teaching. The aesthetic architecture combined with the green environs furnishes a perfect ambience for the learning process, co-curricular activities and professional development. The Institute has 200 kva power back up for uninterrupted flow of activities.

In tune with the demands of the times, AKGIM possesses an enviable technology set up. With 2 mbps internet connectivity and Wi-fi enabled campus AKGIM rates among the best. The computer centre of the institute is fully equipped with statistical softwares to facilitate student projects and research. AKGIM library, though in its stage of infancy, is something to be proud of. An air-conditioned library centre with a large number of books, compendiums, directories, year books and CD-ROMS is at the disposal of its students. The library subscribes to various journals and magazines, both Indian and foreign and has online subscription to various journal resources such as Emerald, JSTOR, etc.

The flagship programme of the Institute is PGDM which commenced from the session 2008-09. The programme is autonomous and approved by AICTE. This is a two year full time programme aimed at transforming raw graduate into polished managers. The prime focus of the programme is to prepare professionals who would take up leadership positions in organizations across industry, government sector and NGOs.

The pedagogy of the Institute is in line with the best that is practiced by B-Schools not only in India but internationally. The pedagogy includes lectures, case study discussions, presentations, group discussions, management games, syndicate method, projects and field visits. In addition to the summer training project, students are assigned small projects during the session in order to enhance their practical exposure.

At AKGIM, the singular belief is to metamorphose the students into hard core professionals. The inculcation of professional attitude, behavior and skills must take place within the course span of two years. No stones are left unturned in achieving this. Each trimester has modules on professional and personality development which aim at enhancing communication skills, non-verbal skills, emotional intelligence, creativity and innovation among the student managers. Services of professional trainers are utilized for this purpose. The institute also offers modules on foreign languages in order to increase the employability of its students in the globalized business environment.

The Institute, though in its first year, has a full fledged Training & Placement Cell headed by a Faculty member to help the students find suitable placement in corporate sector. At present the cell is engaged in summer internship placements of the students and has been able to achieve 100 per cent placement in companies like BHEL, Max New York Life, UNICON Investment solutions, Bhilwara Group, Miranda Tools, Star Wire, Mahindra & Mahindra, Jay Bharat Maruti to name a few.

With a definite philosophical outlook, concrete vision and mission, awareness of the changing paradigms of management education and corporate sector, backed with adequate resources the institute is striving to make its contribution in the field of management education.
