

FRUIT OF THE LOOM. BRAND NEW, SINCE 1851.

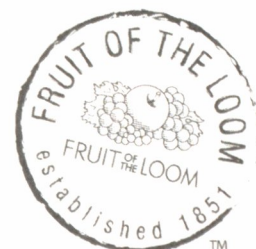

Fruit of the Loom, an American inner wear and casual wear brand, has set trends in the US for more than a century and a half. After marking our presence in North America, Central America, Europe and Asia, we now arrive in India with our premium product line of inner wear for the entire family and casual wear for men and women. For over 150 years, our legacy of delivering quality fabrics, contemporary styles and a wide range of innovative products has satisfied consumers across the globe. Get ready to experience brand new trends with Fruit of the Loom, for years to come.
