

Give your family the kiss of good health everyday **Yakult**

World's No.1 probiotic drink

I have seen Yakult in grocery stores across the globe and I am happy that it is now available in India. Being a mother, my family's health is my first priority. Yakult is amazing as it improves digestion and builds immunity. It goes a long way in keeping us healthy in today's demanding lifestyle.

*That's why I recommend Yakult
in everyone's daily diet.*

Improves digestion

Builds immunity

Yakult is a delicious probiotic drink from Japan that has over 6.5 billion beneficial bacteria (*Lactobacillus casei* strain Shirota) in every bottle. These beneficial bacteria reach the intestines alive and suppress the growth of harmful bacteria. Over 28 million people in 32 countries have made Yakult a part of their daily diet. Now, it's time for your family to get the kiss of good health too.
