

RARE LIVING

Make a high profile lifestyle statement

KAFF symbolizes a quest to offer world class Kitchen Appliances & Built in Kitchen Systems to the Indian Consumers. Products of Kaff are lifestyle statements & stand apart from the gamut of brands available in the market today.

Since its inception, KAFF has constantly evolved its product line, which today has become the most comprehensive, respected and likeable range of products in the Market, offering virtually every conceivable convenience for your Kitchen. Simple to install, reliable in use and eye catching in appearance, the complete range of KAFF products comes with unparalleled application, utility and functionality.

Its strategy has been to offer products to suit every kind of customer – be it a budget conscious looking at economizing space & basic convenience or a customer looking to make a high profile lifestyle statement through contemporary, designer Kitchen Products in his home. This is perhaps one of the conscious looking at economizing space & basic convenience or a customer looking to make a high profile lifestyle statement through contemporary, designer Kitchen Products in his home. KAFF enjoys an excellent Brand image & is one of the most respected and sought after brands in this segment.

Products are sold worldwide and the company constantly innovates, upgrades and launches new products time to time, just to ensure that the customers get total value for their money.

Kohler's newly launched Rêve range is all set to woo the Indian audience

Kohler Co., a global leader in kitchen and bath design and technology, recently launched Rêve ensemble of toilets, lavatories and vanities in the Indian market. This sleek range of products with modern functionality is inspired by European designs which will add a subtle nuance of tone and texture in the bathroom. The Rêve range has been introduced in India, looking at the burgeoning need for luxury sanitary products among the Indian consumer.

The Rêve is a sculptural work of art that delivers functionality, simplicity and warmth in both classic and contemporary bathrooms to create a fully customized and coordinated bath room at an affordable price. Rêve embodies subtle nuances of sophisticated modern design and complement individual tastes and space circumstances of the homeowners.

The different bathing products available in Rêve are as follows:

Rêve 550mm Vessels Lavatory

Rêve Wall-hung Toilet

Rêve 1000mm Vanity Lavatory

The Rêve range of products starts from Rs.16,980 for a vessel lavatory and goes up to 26,360 for a wall hung toilet and Rs. 21,560 for the Vanity Lavatory. Rêve products are available at all KOHLER Stores.
