SINGAPORE AIRLINES

A great way to fly

Delight in the magic of spring in Melbourne, Australia's most stylish and romantic city as it gears up for an exhilarating season of colour, fashion, festivals and sporting action which includes The Spring Racing Carnival.

Take to the skies in a hot air balloon from the Yarra Valley - the premier food and wine region. Witness the penguin parade in Phillip Island. Discover breathtaking scenery along the Great Ocean Road and be awed by the majestic Twelve Apostles.

Travel in comfort with Singapore Airlines

Singapore Airlines now flies the Airbus A380, the largest passenger aircraft in the world between Singapore and Melbourne. Expect nothing short of a luxurious experience on board the Singapore Airlines A380. The Singapore Airlines Suites, Business Class and Economy Class Cabins are all designed to provide customers with an unprecedented level of comfort and personal space. In Economy Class, there is increased legroom, more knee room and a front mounted footrest for maximum personal comfort.

En route, enjoy Krisworld, Singapore Airlines award winning inflight entertainment system and the inflight service even other airlines talk about.

With flights from six cities in India (Ahmedabad, Bangalore, Chennai, Delhi, Kolkata and Mumbai) to Singapore, and a choice of 21 non-stop flights a week from Singapore to Melbourne, including daily A380 services, travelling to this romantic Australian city has never been more attractive!

Now experience the Singapore Airlines Airbus A380 to Melbourne with our all-in exceptional price of **Rs 43,000**. Offer for sale up to 22 October 2009. Travel valid between 15 October-15 December 2009. Other conditions apply. Visit singaporeair.com/india for details.
