Bringing alive a billion dreams

At JSW, the passion to excel and question the status quo, pushes us towards inspiring results. It made us the country's largest private steel manufacturer in just 10 years with an installed capacity of 7.8 MnT. It made us add capacity instead of curbing operations even during the downturn. The urge to transform waste to wealth has created a distinct advantage of lower conversion costs.

At JSW, why not, is not a question, it's a challenge!

BUILT ON THE STRONG FOUNDATION OF TWO WORDS- 'WHY NOT'

**At JSW, 25000 minds are building a
brighter India with the same question**
