

GALGOTIA'S STAND FOR EMPLOYABILITY SKILLS AND QUALITY EDUCATION

The horizon of Indian economy is shining again. The eclipse of recession is over and corporate are looking for professionals with greater zest and urgency. And what better place to find them than Galgotias Educational Institutions (GEI), Greater Noida? In fact, the meltdown did not affect GEI at all. A group of higher education institutions comprising Galgotias College of Engineering & Technology (GCET), Galgotias Business School (Galgotia's Business School) and Galgotias Institute of Management & Technology (GIMT). GEI has achieved an unprecedented hundred percent placements for the MBA program and 95 percent for the Engineering & Technology courses this year.

Talking to Rupamala Singh, Suneel Galgotia, Chairman, GEI, Greater Noida discusses at length, what gives GEI an edge over other higher
