India's Best States to Live In

The INDIA TODAY State of the States Report is the most comprehensive and objective rating of states. The study ranks the performance of states in more than 50 parameters across 9 categories.

- Agriculture
- Macro Economy
- Law and Order
- Consumer Markets
- Investment Environment
- Infrastructure
- Health
- Education
- Overall Performance

PLUS : Bharat Nirman Awards

The results will be announced at the INDIA TODAY Chief Ministers' Conference 2009 to be held at New Delhi on September 14, 2009 where the winning states will be felicitated. Key issues impacting the states will be debated and discussed by Chief Ministers, Members of Parliament, senior bureaucrats and select Ministers.
