Big states are those with an area of over 35,000 sq km and over 5 million population. *Figures are 2009 scores (out of 10) on states' overall performance based on agriculture, primary health, primary education, law and order, infrastructure, investment, consumer markets and macro economy.

HIMACHAL PRADESH IS THE FASTEST MOVER (2003-09) Better fiscal management and realisation of the role of education in economic growth have helped the state to maintain its position in the top five since 2003.

BIG STATES

PUNJAB Best Overall, Agriculture, Infrastructure and Consumer Markets

HIMACHAL PRADESH Best in Education, Health, Macro Economy and Investment

SMALL STATES

DELHI Best in Consumer Markets and Infrastructure

By Shankkar Aiyar

CHANGE IS INEVITABLE; it is truly the only constant. Often change is hard to detect, particularly in amorphous domains such as governance and development. Be assured though that India is changing, even if at a glacial pace. The Seventh INDIA TODAY State of the States Report reveals that the gravity of growth is shifting to emerging geographies, even if gradually. Leaders are sliding, new challengers have come up, and laggards signal a
