

COVER STORY STATE OF THE STATES

20 | India's Best & Worst States

The Seventh State of the States Report reflects the gradual but inexorable pace of change across India. It is clear that states can no longer rest on legacy dividends. Leaders are thus losing stature, new challengers are muscling in and tragically, those at the bottom of the pit are mired in sloth.

34 | The North Stars

North India maintains its supremacy over other regions, the west fares well, the east steps up while the south still struggles to stay afloat.

36 | Hope Amidst Despair

A helping hand is vital to reduce poverty. But outlays won't deliver outcomes unless states revamp systems.

44 | India in Numbers

If statistics are any indicator of India's economic health, we are a country of stunning diversity.

47 | A Manifesto for Growth

Chief ministers and other ministers come together to find solutions to the three most critical issues—agriculture, education and growing urbanisation.
