

of art eye center inaugurated by then Health Minister of India Sh. Shatrughan Sinha. It was the first center in Asia/India and is still the only one in Delhi/NCR to install world's most advanced Phacoemulsification machine for Cataract Removal "The STELLARIS" (

By Bausch and Lomb). This machine can remove cataract through 1 to 1.8 mm hole. A special Intra Ocular Lens-MIL can be inserted through this hole, most of other phaco machines require 3mm or above, Thus making cataract surgery even safer in all weather conditions ie. Summers, reducing this cut size further gives immense benefits like being absolutely painless, Instant vision recovery, Best vision quality and Minimal post operative restrictions. The centre has successfully performed more than 500 such successful operations. We are Income Tax Exempted certified, CGHS, DGHS, NDMC and PSU empanelled and with all cashless mediclaim facilities.
