

SAMSUNG

See TV in a revolutionary new light.

Watch the future of television come alive in your living room with the innovative LED TV from Samsung. It's aesthetic design combined with magnificent image reproduction will leave you thrilled. A whole new world of entertainment now awaits you.

Brighter Colours: White LED lights coupled with Samsung Full HD Engine and Wide Colour Enhancer Pro deliver the brightest of colours you have ever seen.

Sharper Images: Samsung LED TV gives you deeper blacks and its Ultra Clear Panel delivers the sharpest of images.

Razor Slim: Samsung LED TV is astonishingly slim at 2.99 cm. Its slender design also includes an in-built TV tuner.
