

Mohan Eye Institute a modern, self contained ophthalmic hospital and teaching institute located in central Delhi was established in the year 1980 by Padmashree Padmabhushan Dr. Hari Mohan FRCS (Edin) FRCS (Glasgow). Over the times this hospital has grown from strength to strength into one of the leading tertiary eye care institutes in Delhi and Northern India. It was the first private eye hospital recognized by MCI for house-jobs and later was the first to be recognized by the National Board of Examinations, Ministry of Health Govt of India for the teaching of DNB ophthalmology course.

Dr. Hari Mohan was subsequently joined by his sons Dr. Rajiv Mohan MS, FRCS (Glasgow) and Dr. Sanjiv Mohan MS.

This eye hospital has been running both private & charitable clinics since its inception. A trust in the name of Dr. S.N. Mitter, who was also a renowned doctor and hony surgeon to the first President of India, provides quality eye care to the weaker section of our society. Dr.Mitter was a mentor and a guide to Dr. Hari Mohan.

The Institute is also recognized for the conduct of FRCS examination (Glasgow) every year. The institute owns one of the biggest libraries having all the major ophthalmological texts and associated subscription for all the leading national and international ophthalmological journals. It has been conducting continued medical education

programmes and patient awareness programmes since several years.

The hospital has a team of consultants to conduct specialised clinics like cataract, vitreo-retina, cornea, glaucoma, squint, oculoplastics, orthoptics and contact lenses throughout the week along with the regular OPDs. The hospital caters to a large population in and around Delhi, NCR and Northern India including many patients from abroad especially Afghanistan, Bangladesh, Nepal and Middle East.
