

YOU ARE A HUMAN FIRST AND MOTHER LATER!

THEY SAY MAKING THE DECISION TO HAVE A CHILD IS MOMENTOUS. THE DIFFICULT PART IS TO DECIDE TO HAVE YOUR HEART GO WALKING AROUND OUTSIDE YOUR BODY - FOREVER. SUCH IS THE BOND OF A MOTHER AND A CHILD. A MOTHER GIVES HER HEART AND SOUL TO HER CHILD. AND OFTEN FORGETS WHO SHE IS AND DOESN'T REALIZE THAT SHE IS LIVING SOLELY FOR HER CHILDREN.

Such an involvement with the child can create problems. This kind of an attitude can breed frustration and make the relationship with the

child suffocating. So don't sacrifice yourself, live your life, be happy, only then you can be the best mom to your darling.
