Speaking on the launch of the KOSMOS, Director Jaypee Group, Mrs. Rita V. Dixit said, "Jaypee Greens KOSMOS has been created for people who aspire to live in a home which is a part of a planned & efficiently designed gated community that offers all modern facilities".

"It has always been our constant endeavor to bring quality construction with the best of amenities to our customers, Kosmos would include features like earthquake resistant RCC Framed building, multiple social clubs featuring swimming pool & gymnasium, access to all facilities of Wish Town such as Educational facilities ranging from Kindercrib (crèche/child care facility) to pre-university levels and other institutes, super specialty Jaypee Medical Center with state-of-the-art equipment & facilities, Recreational and Commercial hubs etc., Power and water supply back up and Multi-level security systems to name a few", added Mrs. Dixit.

CONFLUENCE OF AFFORDABILITY & CLASS

Having undergone a favorable revision, the real estate scenario is now poised at a peculiar U-Turn where home prices are likely to start firming up soon. Gaursons Proudly presents GAUR GREEN VISTA Phase-II, a project as prime as the opportunity itself. We are one of the exceptional builders to have completed construction and handed over possession to our buyers even in the times of worst recession. The trust of over 1300 home owners whose houses have been completed and handed over in the last six months is the biggest reward and a strong testimony of our impeccable commitment to deliver, always. Matching our deliverance is unthinkable. So we invite u to benefit out of another 3G (Good, Great & Grand) opportunity and we are proud home owner.
