Putting infrastructure in place to sustain the state's growth

- The state has been a proud recipient of Rs. 12,204 crore for 85 projects from the centre, work of 68 projects already in full swing.
- Rs. 2016 crore worth central funds bagged by the State in the first phase.
- The much needed Mumbai sewerage project worth Rs. 364.47 crore operational, with the first installment of Rs. 31.89 crore already received from the centre.

Mumbai Makeover

Mumbai will get itself a world class look, reflecting its growing global status.

MMRDA has formulated a multi modal project viz Mumbai Urban

Transport Project (MUTP) to bring about improvement in traffic and transportation situation and give Mumbai a complete makeover with the construction of various flyovers, skywalks and house rentals. Their various projects also include shifting of wholesale markets, Mahim Nature Park and Metro Rail Project. The total estimated cost of the project is Rs. 4526 crore.

Landmarks include -

● **The Regal Rajiv Gandhi Sea Link:** Mumbai gets a new landmark, an engineering marvel, The Rajiv Gandhi Sea Link between Bandra and Worli is the modern identity of Mumbai. Built at a cost of Rs. 1600 crore, it is now open for traffic. It is an 8-lane, cable-stayed bridge with pre-stressed concrete viaduct approaches, which links Bandra and the western suburbs of Mumbai with Worli and central Mumbai. The bridge was dedicated to the public on 30 June 2009 by Congress President and UPA Chairperson Sonia Gandhi.

● **First skywalk of the country in Mumbai:** Bandra is one of the major suburban stations in Mumbai and the first to get a skywalk.

The Skywalk between Bandra station to Kalanagar is 1300 m. long and 4 m. wide walk way and 4 staircase at various locations. This Skywalk proposed is covered by multi wall polycarbonate sheet for weather protection to the pedestrian. A total of 63 skywalks are planned at a total cost of Rs. 600 crores.

● **A unique mono rail project in progress:**

Considering the need of a system which will occupy less space as well as reduce travel time, a Mono Rail system is proposed to be implemented by MMRDA/GOM.

MMRDA proposes to implement it in various parts of Mumbai Metropolitan Region (MMR). It is proposed to initially take up implementation of about 20 kms from Sant Gadge Maharaj Chowk - Wadala - Chembur station as a Pilot Project. Completion period of the full project is 30 months, at an outlay of Rs. 2460 crore.

● **Mumbai Metro:** In a 3 Phase project Mumbai will get 146 kms of Metro at a cost of Rs. 10,606 crore. The first phase between Versova and Andheri is under construction now.

● **The Chhatrapati Shivaji Memorial:** In the middle of the sea, at a distance of a kilometre from Chowpatty, a 309 feet spectacular edifice is being planned. This signature landmark will boast of an amphitheatre, helipad, history gallery, laser show etc. A corpus of Rs. 50 crore is allocated for the project.
